## Read the following text about Elena's family.

Hi! I am Elena Chavarría, I am 10 years old and this is my family. My mom is Sofía Chavarría. She is very hardworking. We live with my grandmother (her mom), my twin brothers, Antonio and Ricardo; and my dog, Sasha (she is part of the family too). They love school, sports and computers. They are 7 years old and are in second grade, in the same school where I study. My dad does not live with us. My grandmother is very loving and tells interesting stories. She had 7 kids, they all have families already. We are a very big family but we live far from each other. My grandpa, Manuel, died 2 years ago. I still miss him.

## Answer the questions:

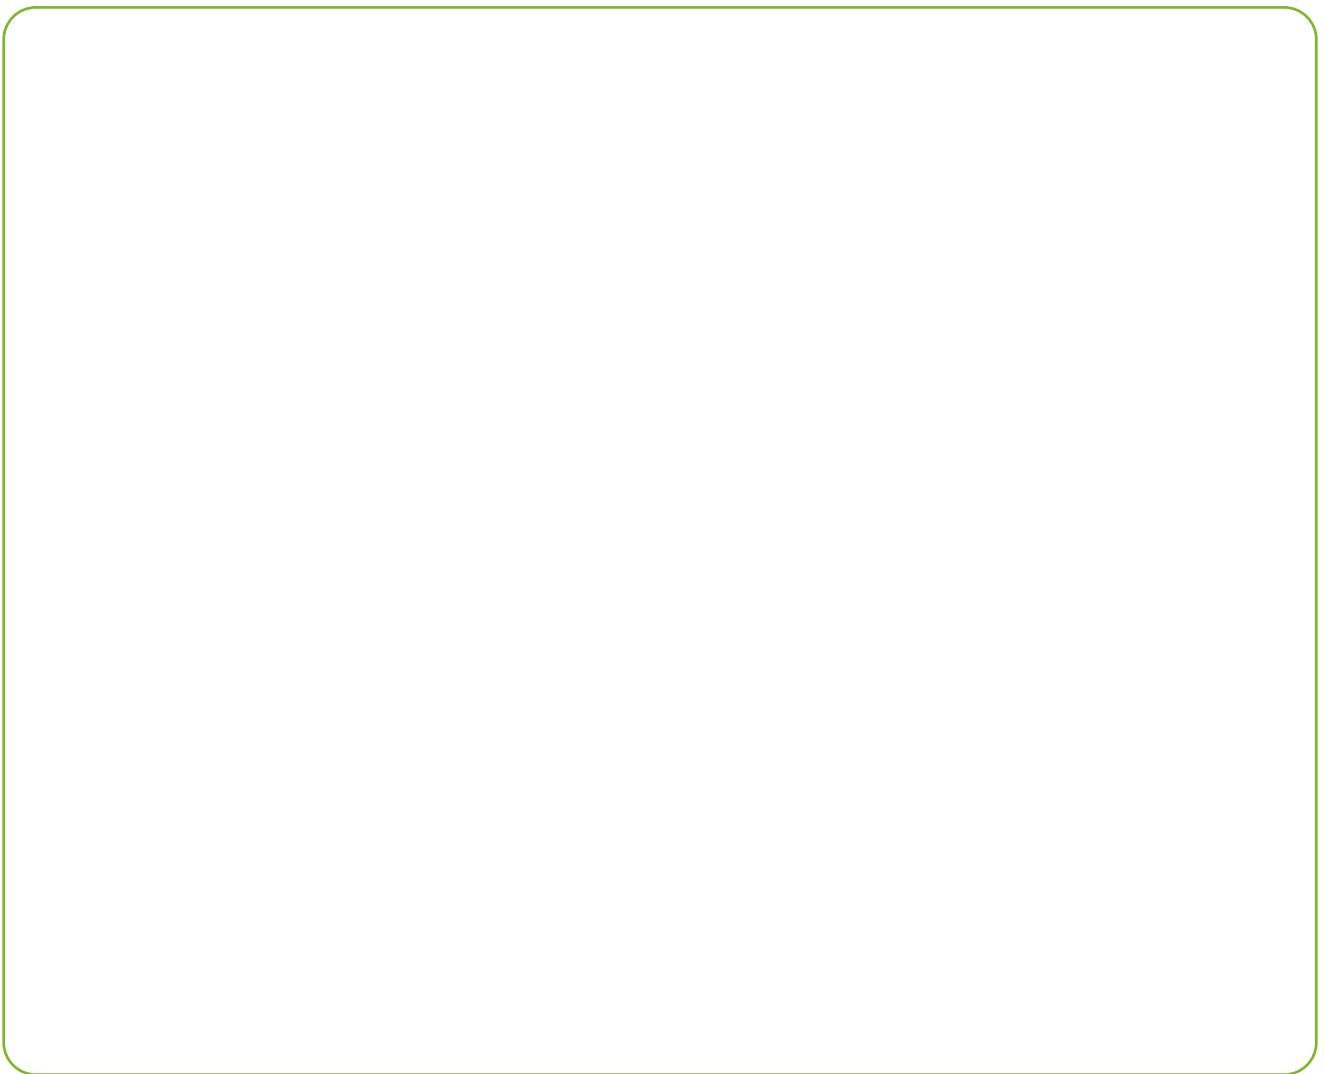

1. How many people live in Elena's home? Who?

---

2. How similar is Elena's family to yours?

---

3. Draw Elena's family as you imagine them. Compare your drawing with your classmate's

### Family time!

Find a picture of your family. Ask any older relative that you spend time with to tell you at least one memory of you when you were younger that they remember.
