

Student's name: _____

Numbers

What Numbers do you know? Are you able to count from one to 10? Try it!

Count the objects. Write the number.

Counting activity with three rows of objects and empty boxes for answers:

- Row 1: 3 geometric shapes (a blue cube, a purple cube, and a red cube) and 3 colorful backpacks (blue, yellow, and blue with a cat face).
- Row 2: 3 geometric shapes (a blue cylinder, a purple cube, and a red cube) and 3 animal-related items (a brown cat, a brown dog, and a paw print).

Each row has an empty box for writing the count.

Trace.

one two three four five
one two three four five

FAMILY TIME

Ask your parents to help you model numbers from one to five using playdough. Try to say the numbers in English.
