# Transportation

**Think!**

What are means of transportation? What means of transportation do you know? What's your favorite mean of transportation?

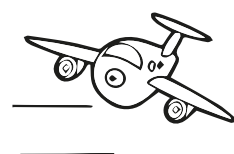

Match and color the means of transportation.

blue airplane

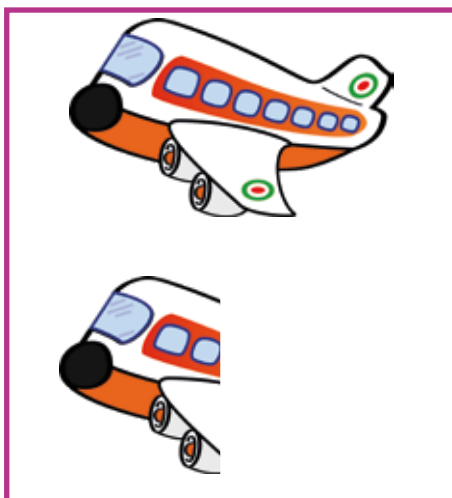

green boat

yellow bus

red car

Complete the picture following the model. Then color.

## Family time

Tell your parents how the activity was about completing the picture.

What was the easiest part...  
What was the most difficult part...  
If you would like to do it again...  
Challenge your parents to do it!
